Re: Freedom of Information Act Request EPA-R9-2013-009692

Dear Ms. Siudyla:

This is in response to your Freedom of Information Act request regarding any available CERCLIS, ERNS, and RCRIS reports on specific sites you identified in San Francisco and San Mateo. Information responsive to your request regarding the following sites is enclosed:

598 Sixth Street, San Francisco
195 San Bruno, San Francisco

I wish to advise you that the Superfund Division, EPA Region 9 has no records responsive to your request regarding the remaining sites. However, the 1600 Owens Street site in San Francisco received subgrant funds from the California Department of Toxic Substances Control to conduct a cleanup under a brownfields revolving loan fund grant from US EPA. You may wish to contact Thomas Cota of DTSC at (714) 484-5459 or tcota@dtsc.ca.gov for files related to this site.

You may appeal this no records determination to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal may include as much or as little related information as you wish, as long as it clearly identifies the determination being appealed (including the assigned FOIA request number - EPA-R9-2013-009692). For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any questions, please contact Debbie Schechter of this office at 415-972-3093.

Sincerely,
